PHOTOGRAPHS UNAVAILABLE

JASON BISSON
JAMES BREVARD
HAIYAN LONG
BRIAN MACISSAC

Each student is responsible
for submitting his/her own
senior portrait, baby picture and
write-up.

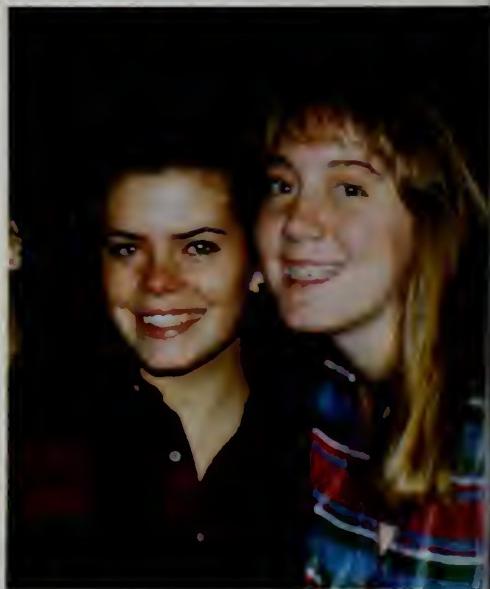

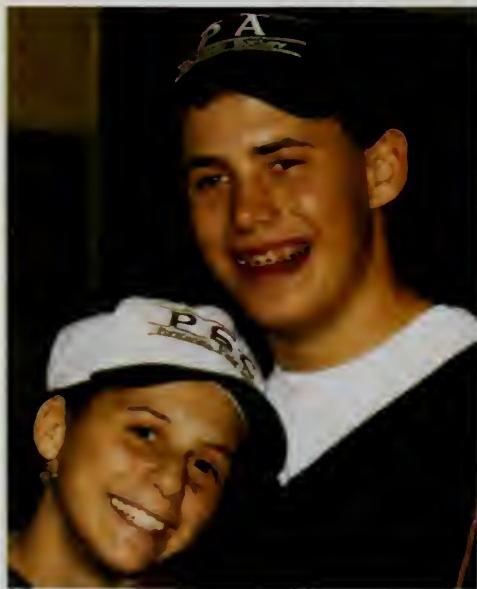

A circular chalkboard featuring numerous handwritten signatures in black ink. The signatures are arranged in a roughly clockwise circle, overlapping each other. Some names are more legible than others due to the cursive nature of the handwriting. The signatures include: Amanda Gilbert Keyes, Kelly Donkin, TANYA WYMAN, Kara Stevens, JEANETTE Kristin Anderson, Lisa Pedrotti, Paul Kostel, Andrea Groot, Benay Schlossberg, Shanelle Edwards, GREG Niosi #11, and Victoria Michael Closson. Other less distinct signatures include: Elvis Whaley, Mike Wellz, Jim Fennan, Peter Sullivan, Steve Miller, Dave G. Crowley, Mike Armando, MacIsaac Karen, and Diane Murphy.

A black and white photograph of a circular wooden plaque mounted on a wall. The plaque is inscribed with names and symbols, likely representing a class of students or participants. The names include Amy Sasin, DEW, Andrew Klucznik, Nicole Yerush, Max, Jim McGuire Pres., Mark Hailey, Carlos Sarmiento, Matt Perry, and others. There are also several small symbols like a four-leaf clover and a star.

In 1993, the math team continued its success as it captured one more New England title, racking up number thirteen.

The Canton Math Team was well represented by seven "mathletes" in the Eastern Massachusetts All-Star team at Penn State. In 1994, the team made strong appearances in both the Greater Boston Math League and the Massachusetts Math League, finishing second to only Lexington High School. Also, through hard work and preparation, the team made a strong showing in the final testing of the Olympiad and AHSME. The future for the Math Team appears promising with talented, dedicated underclassmen as future members.

The entire team would like to extend their appreciation to Mr. Badoian, Mrs. Powers and Mr. Sweeney.

Mr. B--thank you for your patience and dedication.

Mrs. Powers--thank you for your help and encouragement.

Sweeno--thank you for your support and the trivia knowledge

and to next year's mathletes, we wish you good luck and continued success.

In its fourth year of production, **The Spectrum** has come a long way. Some of this is due to an increase in staff and to the relatively new journalism elective, but most of it is due to the students who continuously dedicate so much of their time into putting out a quality paper.

In addition to these students are many faculty members. The encouragement and enthusiasm of our advisor, Mr. Ladow, cannot be emphasized enough. His work ethics are an inspiration, and his presence makes even the most tedious work enjoyable. Mr. Schauble, another teacher who dedicates his time (and computer!), cannot go unmentioned. Without Mr. Ladow, Mr. Schauble,

countless other faculty members, and **The Canton Citizen**, **The Spectrum** would be nonexistent.

It is a risk to say how you feel about an issue, and it is a talent to be able to express yourself intelligently. The 1994 staff has done both of these things and has done them well. Everyone on the staff should be proud to have been involved in something so successful.

I wish the best to all of the seniors who have put so much of themselves into the paper. They will be hard to replace.

# ECHO '94

This is a time of endings and beginnings. This is a time of goodbyes and new opportunities. This is a time of reflection.

Canton High has been our connection for four years. Our teachers, our friends, our teammates and our co-workers have come together at this time and in this place. It will always be a part of who we are and who we will become. This book represents the people and events that have been significant during these unforgettable years. It is our great hope that it captures the spirit of our senior class and the special character of our school.

This yearbook will be the place where we go when we want to remember these times. Its success could not have been possible without the guidance and dedication of Mrs. Healy and Mrs. Devine. They have committed themselves year after year and deserve much appreciation. Our contributors and advertisers have been a wonderful help in providing the financial support that is imperative for publication. We would like to also thank the Echo staff who has spent a great deal of time and effort working to maintain a quality yearbook.

We sincerely hope that you enjoy **Echo 1994** and that all of your experiences here never escape your memory.

Good luck,  
Kim Milstein & Scott Cameron
